

ATEQ TPMS Tools Reveals New Vehicle for 2019 SEMA Show

Livonia, Michigan (September 17, 2019) - ATEQ TPMS Tools is excited to unveil the 2019 [SEMA](#) featured vehicle, in [booth 40195](#). This vehicle will be used for tool demonstrations and a TPMS game for all booth visitors.

This year, ATEQ TPMS Tools have acquired a 2019 McLaren 720S, in electric red. This super-charged luxury performance car will catch your eye no matter where you are on the show floor.

If you will be attending the 2019 SEMA show, plan to stop by booth 40195 to try your hand at scanning the vehicle's VIN barcode, and read/activate TPMS sensors with the [VT56](#) TPMS tool. Each day, the visitor who has the fastest time will win a prize, which will be revealed soon by the ATEQ team.
