

ATEQ TPMS Tools Appoints Rafid Abood to Technical Support

LIVONIA, Mich. (Jan. 21, 2020) - ATEQ TPMS Tools, LC, leader of TPMS Tool solutions for the OE, Industrial and Aftermarket industries, announced the appointment of Rafid Abood to Technical Support Specialist. Abood's responsibilities will include aiding customers in troubleshooting TPMS related issues, training customers with ATEQ TPMS Tools, and TPMS tools with "powered by ATEQ" software. Additionally, he will assist customers in step-by-step instructions to reset the TPMS system.

"With Rafid's experience and knowledge he brings to the team, ATEQ will strive to take care of the customer right the first time and every time," stated Desart Dinkollari, Operations Manager. "We're lucky to have him as an addition to the team."

Abood graduated from London Metropolitan University in London, United Kingdom in 2003 and received a degree in Electronics and Communication Engineering. Abood has over 10-years of experience in delivering leadership, services, and solutions to the information technology sector.

"I am confident in a smooth transition into the TPMS industry and I am looking forward to my new role and responsibilities," commented Abood. "I'm eager to contribute to the success of ATEQ."

TPMS Technical Support is available via email at help@supporttpms.com or by phone at 888-621-8767, six days per week, Monday through Friday, 8 a.m. – 8 p.m. and Saturday, 9 a.m. – 3 p.m.
