

ATEQ TPMS Tools Promotes Ardit Shameti to Technical Repairs

LIVONIA, Mich. (Jan. 14, 2020) - ATEQ TPMS Tools, LC, leader of TPMS Tool solutions for the OE, Industrial and Aftermarket industries, announced the promotion of Ardit Shameti to Technical Repairs. Shameti's new responsibilities will include vehicle testing, tool repairs, TPMS validation, and technical support. Shameti will continue to work closely with the technical support and database team.

"Ardit has been a key asset to our technical support team since his arrival in 2017," stated Desart Dinkollari, Operations Manager. "I'm looking forward to watching him take on the new role in Technical Repairs."

Shameti has been with ATEQ since the Spring of 2017. He began his career at ATEQ as a TPMS technical support technician and quickly learned about the TPMS industry. Shameti's outstanding customer service skills and knowledge about TPMS make him a perfect fit for this role.

"I am looking forward to taking on this role," commented Shameti. "It will be a new challenge, however, I know that I'm prepared to do everything I can to provide the best TPMS solution."

Ardit Shameti can be reached at 888-621-8767 or via email at support@ateqtpmsusa.com. ATEQ TPMS Tools technical support is available Monday - Friday, 8 a.m. - 6 p.m. and Saturday, 9 a.m. - 3 p.m.
