

## ATEQ TPMS Tools adds Alvetia Pitts to the Technical Support Team

Novi, MICH. - ATEQ TPMS Tools, LC, leader of TPMS Tool solutions for the OE, Industrial and Aftermarket industries announced the addition of Alvetia Pitts to the TPMS Technical Support team. Pitt's responsibilities will include assisting ATEQ tool users in troubleshooting TPMS related issues, training customers with ATEQ TPMS tools as well as TPMS tools with "powered by ATEQ" software. Additionally, Pitts will assist Database Manager, Renan Ludscher in testing and validating tool software.

"I'd like to welcome Alvetia to the ATEQ family. She will be a great addition to our support team as we strive to have the best support team in the market," said Joshua Holmes, Service and Support Manager.

Pitts is no stranger to the customer service world, as she has held many positions in the customer service industry. With this experience, Pitts will be able to help ATEQ customers and partners and achieve the highest quality of service.

"I am looking forward to taking on this challenge and working more with our customers fulfilling their needs with our first-class service," said Pitts. "So far, working with the ATEQ family has been wonderful, everyone is so friendly and very helpful. I'm looking forward to taking advantage of this opportunity and learning and growing with ATEQ."
